

# Barber

In this course we train the student in the art of hair, manicures, and basic skin care. The students are trained in how to cut, fade, fit hair pieces, shave the face, color, style, and chemically alter the texture of the hair along with safety and sanitation. They are taught manicures, facials, as well as specialty hair services such as bald fading, male hair enhancements, as well as learning how to use a wide variety of products. We also train the students in basic skin care. They are instructed on how to perform basic facials and can confidently recognize skin conditions. This program is 1500 clock hrs. and at completion student is awarded a diploma. They must pass a state board theory and practical exam before becoming a licensed barber.
